## Kitchens & Bathrooms

We design and build modern rooms with your personal preferences for cabinets, flooring, appliances and colour themes.

Cabinets with marble or quartz tops and a wide range of basins and designer faucets compliment your design.

Glass doors set off custom showers, designed with tile or acrylic.

## Porches & Decks

Victorian porch restorations maintain your home's original charm.

Decks add entertaining space and enjoyment.

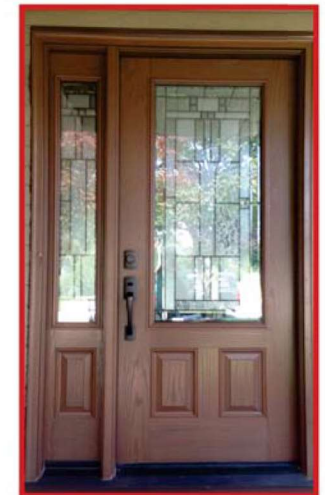

Flagstone, stamped concrete walkways or porches enhance curb appeal and provide lasting quality.

## Doors & Windows

Top quality doors and windows add comfort and reduce heating and cooling costs.

Modern doors and quality hardware enhance curb appeal.

Bay windows bring natural light inside and make rooms feel larger.
